ResearchFest

29 July-01 August 2024

ACTER – Australian Centre for Transplantation Excellence and Research

ResearchFest Opening Event

Improving Access and Outcomes

Mr Graham Starkey will give the keynote address followed by a discussion panel chaired by A/Prof John Whitlam.

A/Prof Adam Testro and two transplant recipients will share their knowledge, insights and experiences of improvements in transplantation access and outcomes using machine perfusion.

The event is available to join virtually - but for the best experience join us in the John Lindell lecture theatre

Monday 29 July 2024 at 12.30pm – 1:30pm
John Lindell lecture theatre,
Level 4 Lance Townsend Building, Austin
Hospital

[Meeting link for online attendance](#)

Lunch follows outside the theatre
