

Accessible parking for oversized vehicles

How to book accessible parking if you have a vehicle more than 2.1 metres in height and what to do when you arrive.

If your vehicle is over-sized, there is availability for over-height vehicles in the Harold Stokes car park and outside of our Emergency Department at Austin Hospital.

Booking accessible parking

To make a booking for an over-height vehicle you need to:

- call the Car Parking Office on **03 9496 4512**, or
- ask a Disability Liaison Officer (DLO) to book a car park for you by calling **03 9490 7620** or emailing disabilityliaison@austin.org.au.

When you arrive

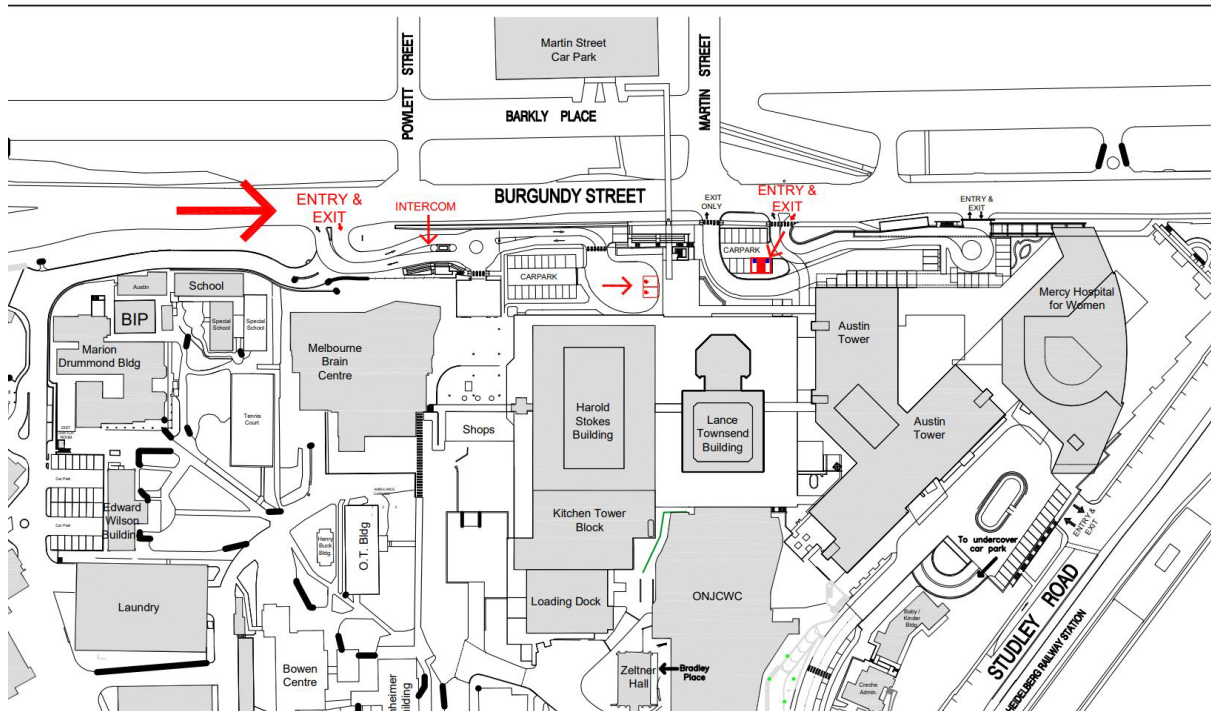

Harold Stokes Building

- If your spot is booked on Level 3 of the Harold Stokes Building forecourt, enter the carpark from Burgundy Street.
- When you arrive, let parking staff know by pressing the intercom (located prior to entering the roundabout) or calling **03 9496 4512**.

Austin Hospital Emergency Department

- If your spot is booked out the front of the Austin Hospital Emergency Department, enter the carpark from Burgundy Street.
